

## **FOR TRAINERS FOR INDIVIDUALS WITH DISABILITIES**

The State of Hawaii, Office of Elections is hiring individuals or organizations to conduct community workshops for individuals with disabilities.

Trainers will educate persons with disabilities about the opportunity for equal participation in the voting process, with the major goal of increasing the number of individuals with disabilities voting in the 2004 elections.

Workshop presentations are for the following groups:

- Blind and visually impaired
- Deaf and hard of hearing
- Mobility impaired
- Developmentally disabled
- Mentally Ill

Desirable qualifications are experience in training or working with individuals with disabilities. Please submit a resume and letter expressing interest in working with a specific disability group. Mail resume and letter by April 16, 2004 to:

Disability and Communication Access Board
